Effective April 26, 2013, DHS began automating the admission process. An alien lawfully admitted or paroled into the U.S. is no longer required to be in possession of a preprinted Form I-94. A record of admission printed from the CBP website constitutes a lawful record of admission. See 8 CFR § 1.4(d).

If an employer, local, state or federal agency requests admission information, present your admission (I-94) number along with any additional required documents requested by that employer or agency.
